staff@lcacenter.org

ACLCA is a program of the Institute for Environmental Research and Education

Directions for Submission

Abstracts must be received by January 8th, 2006

Please send all abstracts to staff@lccenter.org

Abstracts should be no more than 300 words, and should be formatted with 1-inch (2.5 cm) margins, using a times roman typeface.

The format should be

Title of paper (bold, 14 point, centered)

Authors, with presenting author listed first (bold, 14 point, centered)

(empty line)

Body of abstract (left justified, 12 point)

Accepted papers will be expected to produce a PowerPoint presentation and submit it ahead of time for posting on the ACLCA website.

IERE retains copyright on all abstracts and PowerPoint materials.

All abstracts will be reviewed by a peer review panel. Outstanding papers will be invited to publish in peer-reviewed journals and are eligible for awards.
